Julia,

Cecilia asked me to ask you to set up a half-hour slot with the RA in the near future to brief him on the results of today's meeting with the West Lake Landfill PRPs on several comment responses regarding the Supplemental Feasibility Study. (Karl previously requested an update after this meeting.) Program attendees should include myself, Cecilia, and Audrey Asher, with Matt Jefferson as an optional attendee. Please let me know if you need further information to set up this meeting.

Thanks,

Daniel R. Gravatt, PG
